Raise awareness and cash at the same time
with our beautiful VLA 2012 Vermont Public Libraries Calendar!

The VLA 2012 Calendar:

Sings libraries' praise.

Will help you fundraise.

Has gorgeous photo displays.

Keeps track of your days.

Even follows the moon's phase!

...It's a calendar that works
in so many ways!

The time to order is now! Production is underway...
the calendar is going to be great!

We've attached another promotional flyer in pdf form for you to print out and post *for your patrons, friends, relatives, whomever...* Fill in it's top circle with your selling price, say \$15, remembering that roughly \$8.50 will go towards production and shipping costs and your library pockets the rest. At the bottom of that page, write who the checks should be made out and given to (*your library or your Friends Group*).

When you've got all the forms and checks you think you'll get, fill out the form here below, make out your check and send to the address below.

Questions? Write us at mkdesign@gmavt.net.

Sincerely, *The Calendar Team*

To reserve your calendars,
place your order by
September 15.
